

PSAP Funding Guidelines

Steve Marzolf, PSC Coordinator

Staff Recommendations

- ◆ Fund the following components of mapping process:
 - Aerial Photography
 - Street Centerline
 - Addressing
- ◆ Funding to be provided based on the outcome of the study – composite index or statewide program.

Staff Recommendations

- ◆ Do not fund building footprints or parcel outlines.
- ◆ Fund PSAP personnel for the mapping function to the wireless percentage (same as other PSAP personnel).
- ◆ Fund addressing equipment (GPS receiver) to the wireless percentage.

Staff Recommendations

- ◆ Provide 100% funding for the following:
 - CPE based mapping – initial purchase
 - CAD based mapping – interface and display
 - Separate mapping system – initial purchase
 - Service provider based mapping

Staff Recommendations

- ◆ Provide wireless percentage funding for the following:
 - Replacement of CPE-based systems
 - CPE-based system maintenance
 - Replacement of CAD-based mapping
 - Non-mapping cost of CAD – initial purchase
 - Replacement of Separate system

Staff Recommendations

- ◆ Fund a study of PSAP readiness for Phase I and Phase II – Approved
- ◆ Fund consulting contracts for PSAPs to acquire project management for Phase I and Phase II at 100%

Working Group Results

- ◆ Concurred with staff recommendations for mapping and equipment with minor modification to service provider based.
- ◆ Asked that study include evaluation of commercially available mapping data.
- ◆ Expressed need for policy on how far back funding should be provided (FY01 in true-up or FY02 only)
- ◆ Recommend funding project management at only wireless percentage instead of 100%.

CMRS Funding Guidelines

Steve Marzolf, PSC Coordinator

Staff Recommendations

- ◆ Continue to fund Phase I costs
- ◆ Perform testing and validation at state level
- ◆ Not fund the increased cost of handsets
- ◆ Fund MPC and PDE costs for handset and network based solutions to percentage of subscribers in Virginia

Staff Recommendations

- ◆ Require proportional repayment if used for commercial applications
- ◆ Not allow Virginia only MPCs
- ◆ Allow only one network solution per area
- ◆ Fully fund service provider based solutions
- ◆ Require cost to be capitalized over 5-years.
